

ELECTRICAL - MECHANICAL - SIGN AND BANNER HANGING

OFFICIAL CONTRACTOR

Showtech Power & Lighting
255 Front Street West
Toronto, Ontario
Canada, M5V 2W6

tel: (416) 585-8109
fax: (416) 585-8255

Exhibitors are urged to anticipate their electrical - mechanical - sign and banner hanging requirements early and make arrangements well in advance of the show dates.

COMPLETED REQUISITIONS MUST BE RECEIVED BY February 15, 2018. All arrangements are made with the contractor, and invoices are rendered by them.

All electrical - mechanical services will be installed by the official contractor only. Arrangements are between the exhibitor and Showtech Power & Lighting, and the Show Management accepts no responsibility for the cost of services provided by the contractor at the exhibitor's request.

New Ministry Of Labour regulations may require advanced shipping and placement of signage before general move-in. Your staff will be required to have proper safety equipment as per Ontario workplace safety.

An explanation of the contractor's services, and order forms, follow in this section. The contractor retains the right to adjust the prices for these services upon notice to show management.
